Scorrano (Lecce) - In the heart of Salento, south of the Lecce capital, we offer for sale an elegant villa of about 300 square meters. Free on four sides and recently renovated, it is surrounded by a large green area, partly cultivated with lawn / garden and partly wooded. Entering through the wrought iron gate, you walk along the stone avenue outlined by marvelous arches that frame the garden and we find ourselves in the front part of the villa, where there is a large equipped porch. The entrance to the property is achieved through a large hallway, a very bright living area from which you can access the living room with fireplace; the sleeping area consists of three bedrooms with two bathrooms. At the rear of the villa, there is an additional apartment comprising entrance hall, kitchen, bedroom, bathroom, garage of about 80 square meters and cellar below.
